

# What is Democracy Movie Assignment

<https://www.nfb.ca/film/what-is-democracy-2018/>

## **Paragraph Question:**

If Greece's situation was considered rock bottom on one end of the spectrum and the best image of democracy was at the end other end of the spectrum, where in the spectrum of democracy does Canada fall today? Where does the United States fall in this spectrum?

## **In Your Paragraph Also:**

- 1) Provide 3 reasons or examples why you believe this is where Canada stands.
- 2) How can we steer Canada in the proper direction? Propose 3 ideas on what you think Canada should do to "fix" the country and head in the proper direction.
- 3) Try to use 5 words from the unit's vocabulary list to explain your answers.

## **Marking Rubric:**

Did you mark where in the spectrum does Canada fall? (1 mark)

Did you mark where in the spectrum does the U.S. fall? (1 mark)

Did you provide 3 reasons that you've observed in this unit (i.e. from your own notes and understanding about the Canadian government, or from the movie we've just watched?) (3 marks)

Did you provide 3 ideas on how you think we can steer Canada in the proper direction? (3 marks)

Did you use and highlight at least 5 vocab words that you've learned from this unit? (5 marks)
